In consideration of and as inducement to my acceptance in this training class/lesson, I hereby agree to indemnify and hold harmless the Training Organization, its trainer, officers, members, and agents from any and all claims by any family member or any other person accompanying me to any training session or function of the Training Organization, or while on the grounds or the surrounding area thereto as a result of any action by any dog including my own. Cancellation/No Show Policy

RAIN OR SHINE! Dress for the weather conditions. We may be outside or undercover but it is unheated. Classes will not be cancelled or rescheduled due to weather unless determined by the trainer to be a danger to all parties i.e. lightning, hail, or severe wind.

No make-up classes or refunds will be given for missed classes unless the class was cancelled/rescheduled by the trainer.

General Rules:

- Please be on time for your lesson (extra training time will not be given if you arrive late). Arrive 10 minutes before your class is scheduled to start so you can potty your dog. We will practice outside so dress for weather. You may also want to apply a bug repellent to yourself and your dog.
- Do not feed your dog within 2 hours of your lesson. Potty your dog before entering training area or yard (inside of the fence). Do not let your dog mark planted bushes, plants or lawns. Please bring poop bags to clean up after your dog. Please stay away from the ponds and garden areas.
- If your dog has lots of energy, you may want to exercise your dog prior to coming to class. This will help your dog to concentrate on the lesson better but don't poop him out.
- Daily structured exercise or activity is the key to a well behaved/balanced dog. A tired dog is a well behaved dog.
- A daily walk with your dog in heel position or with a pack for 15-20 minutes is very beneficial.
- Bring training treats and clean fresh water and a water bowl for your dog.
- Always keep your dog on leash while on the property. We have wild game and possible unleashed dogs from the neighboring properties so please be aware of your surroundings and report any loose dogs to the trainer.
- Payment is due prior to the start of each lesson. Please make checks payable to Terry Popish.
- Lessons will run about 1 hour unless otherwise noted.
- Practice basics at home daily. 10-15 minutes a day will make a big difference in your dog's progress. Other family members should be practicing the same commands. Leave extra dogs at home.

Training Equipment: Collars: A flat or rolled collar (leather or nylon) or a flat nylon or limited choke (Martingale) collar. The trainer may suggest a pinch or choke collar (if necessary). If you plan on showing in performance sports-a choke collar or agility lead may be required.

- Leashes: A six foot leather or cotton/nylon leash if preferred.
- Treats for training: Soft treats such as string cheese, chicken, hot dogs, Nature's Balance Rolls are preferred.
- Toys: If your dog is motivated by a favorite toy, please bring it to class for the trainer to evaluate.
- Abusive treatment of your dog is cause for dismissal from class. Please bring a positive attitude and your dog will have a positive attitude as well. Training should be a fun activity for you and your dog. Wear comfortable clothing and tennis shoes or walking shoes.
